

QUALITY POLICY

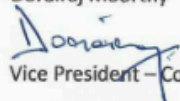

Capitol Industries is committed to Manufacture and Supply products that meet all requirements of specification and satisfy our customer's needs

It is our Constant Endeavour to maintain high quality, Business Ethics and Responsible Business Management. We will constantly upgrade our Quality Goals and Productivity and achieve Cost Effectiveness to meet Global Competition

We will ensure that the Quality Policy is well understood at all levels of the organisation and that every employee of the organisation is responsible in the implementation of the policy.

Capitol Industries is committed to satisfy the applicable requirements and strive for continual improvement for the effectiveness of the QMS.

Dorairaj Moorthy
